Re: Section 214 Applications and T/C of Cable Landing License

Dear Sir or Madam:

Please review the following applications and advise us whether you have any national security, law enforcement, foreign policy or trade concerns by **C.O.B. December 13, 2006**, because we are prepared to take action on these applications. **Electronic filed (e-file) applications are able to be viewed by accessing [www.fcc.gov/ibts](http://www.fcc.gov/ibts) and searching by the file number.**

**ITC-214-20061120-00526 (e-file)**

Ouro Preto Inc.'s application for authority to provide global facilities-based and resale services between the United States and permissible international points. Applicant is 51% owned by a **Brazilian** partnership, and 49% owned by a citizen of **Brazil**.

**ITC-T/C-20061109-00517 (e-file)**

Application for consent to transfer control of section 214 authorization ( ITC-214-20021107-00535) held by Reliance Communication, Inc. (RCI) from Reliance Communications Ventures Limited (RCVL) to Mr. Anil Ambani, a citizen of **India**. Please note that RCVL's name was changed to Reliance Communications Limited (RCOM) on June 7, 2006.

The transaction occurred on September 14, 2006, without prior Commission approval. In order to avoid any discontinuity of service to its customers, RCI requests a special temporary authority (STA) to continue operating under its section 214 authorization (ITC-214-20021107-00535) pending grant of its underlying application for the transfer of control (ITC-T/C-20061109-00517). RCI acknowledges that the grant of STA will not prejudice any action the Commission may take on the underlying application, and the STA can be revoked by the Commission upon its own motion without a hearing.

Therefore, we granted an STA (ITC-STA-20061109-00518) for RCI on November 22, 2006.

**SCL-T/C-20061109-00008 (e-file)**

Application for consent to transfer control of FLAG Atlantic-1 Submarine Cable Landing License (SCL-LIC-19990301-00005) held by FLAG Telecom Group Limited (FLAG) from Reliance Communications Ventures Limited (RCVL) to Mr. Anil Ambani, a citizen of **India**. Please note that RCVL's name was changed to Reliance Communications Limited (RCOM) on June 7, 2006.

The transaction occurred on September 14, 2006, without prior Commission approval. In order to avoid any discontinuity of service to its customers, FLAG requests a special temporary authority (STA) to continue operating under its submarine cable landing license (SCL-LIC-19990301-00005) pending grant of its underlying application for the transfer of control (SCL-T/C-20061109-00008). FLAG acknowledges that the grant of STA will not prejudice any action the Commission may take on the underlying application, and the STA can be revoked by the Commission upon its own motion without a hearing. Therefore, we granted an STA (SCL-STA-20061109-00009) for FLAG on November 22, 2006.

If we do not hear from you by **C.O.B. December, 13 2006**, we will assume that you do not have any concerns with these applications.

Sincerely,

George Li, Deputy Chief  
Policy Division
