David, Susan and George:

Attached for your information and review is a supplemental filing that I am making today via the Secretary's office re the Affinity Mobile dba Trumpet Mobile 214 application (ITC-214-20061214-00564). I have restated the response to item (h) and also revised and reattached Attachment 1 (the org chart) because of minor changes in the ownership % that resulted from a stock distribution in mid December. I also note that the spellings of the names of 2 of the 3 Al Sabah brothers who control Al Fawares have changed slightly but these are the same people identified before.

I realize that next week is a short week, but anything you can do to get the application on PN next Friday would be greatly appreciated.

Many thanks,

David, Susan, and George:

I have been alerted by the client this am that there may be some mistakes in the ownership info provided in the Affinity Mobile dba Trumpet Mobile 214 application (ITC-214-20061214-00564). There may be some minor changes in the % held by the AI Fawares chain. More importantly, there is some question whether the AI Sabah family members who control AI Fawares are listed correctly.

I am working with Trumpet to get this resolved and will let you know when I do. I don't know if you were planning on putting the application on PN tomorrow but you might want to hold off for now.

Dear Ms. Dortch:

By this letter, Affinity Mobile, LLC d/b/a Trumpet Mobile ("Trumpet") makes minor modifications to the Section 214 application that is captioned above. Re: Attachment 2, Special Temporary Authority (STA), Affinity Mobile, LLC

File # ITC-STA-20090209-00087

File # ITC-214-20061214-00564

In reference to the Commission rules and 47 C.F.R. Section 63.51, Affinity Mobile LLC is requesting a Special Temporary Authority for a period of 60 days to complete the transaction and to allow time for the commission to review our underlying application for Transfer of Assignment or Control as outlined in 47 C.F.R Section 63.18 (e) (3). Affinity Mobile LLC sold its assets and customer base to HH Ventures LLC as of December 31, 2008. The transaction between Affinity Mobile LLC and HH Ventures LLC was not approved by its board members prior to December 31, 2008.

Affinity Mobile LLC, "the company", necessitates additional operating capital to satisfy its current financial obligations. The company sought numerous resources to acquire additional funding to maintain its business operations to support and provide service to the existing subscriber base. It was decided by the board members of Affinity Mobile LLC to seek the most feasible solution to satisfy its debt obligations. The public is best served by the granting of the STA to avoid uninterrupted prepaid wireless service to its existing subscriber base.

As per Section 63.25, Affinity Mobile, LLC is requesting special temporary authority to continue providing service to its customers while the Commission processes the underlying assignment application for the international section 214 authority. Both parties, HH Ventures LLC and Affinity Mobile LLC are requesting the transfer of the international section 214 authority to ensure uninterrupted service to the existing subscribers.

Affinity Mobile LLC is no longer in the phone subscriber business and HH Ventures LLC is now familiar with the commission's rules and regulations and will no longer allow any lapses and will request authorization for pre-approval of any transactions that they may have in the future.

The parties acknowledge that the grant of the STA will not prejudice any action the Commission may take on the underlying application seeking Commission consent to the transfer/assignment. The parties further acknowledge that this STA can be revoked by the Commission upon its own motion without a hearing. We seek Commission action on the applications referenced.

Sincerely,

A handwritten signature in black ink, appearing to read "Ira D. Levy".

because (1) Trumpet is not a foreign carrier, and is not affiliated with any foreign carrier in any country to which it will provide service; (2) Trumpet is not affiliated with a dominant U.S. carrier whose international services it seeks authority to resell; (3) Trumpet is not requesting authority to provide switched services over private lines to countries not previously authorized for such services.

Conclusion

For these reasons, Trumpet requests that the Commission grant this Application.
