Wypoint Telecom, Inc. Required to Respond to Request to Terminate Its International Section 214 Authorization

File No. ITC-214-20070601-00211

By this Public Notice, the International Bureau (“Bureau”) affords Wypoint Telecom, Inc. (“Wypoint,” formerly VOIP Solutions, Inc. (“Sage”))¹ additional notice and opportunity to respond to the attached letter submitted by the Department of Justice, including the Federal Bureau of Investigation, with the concurrence of the Department of Homeland Security (collectively, the “Agencies”), requesting that the FCC terminate, declare null and void and no longer in effect, and/or revoke the international section 214 authorization issued under file number **ITC-214-20070601-00211** to Sage, now Wypoint Telecom, Inc. The Agencies state that Wypoint has failed to comply with commitments and undertakings made with the Agencies, the compliance with which is a condition to the authorization issued by the Commission.² The Agencies further state that they have been unable to communicate with Wypoint for over a year in an effort to resolve this matter.

The Bureau served this letter on Wypoint at its address of record³ on May 14, 2014 and received no response.⁴ Wypoint may respond to this Public Notice **no later than July 11, 2014**. In the response, Wypoint should address the allegations in the Agencies’ letter and describe any steps that it is taking or will take with the Agencies to resolve their concerns. A failure to respond to this Public Notice will be deemed an admission of the facts alleged by the Agencies and could result in the issuance of an order to show cause as to why Wypoint’s international section 214 authorization should not be subject to termination.

¹ In October 2007, VOIP Solutions, Inc. (“Sage”) changed its name to Wypoint. *See* International Authorizations Granted, Report No. TEL-01206, Public Notice, 22 FCC Rcd 19825 (Int’l Bur. 2007).

² International Authorizations Granted, Report No. TEL-01174, Public Notice, 22 FCC Rcd 14026 (Int’l Bur. 2007).

³ Carriers with international section 214 authorizations are responsible for the continuing accuracy of the information provided to the Commission in their applications and must promptly file corrected information where a certification is no longer accurate. *See* 47 C.F.R. 63.21(a).

⁴ Letter from James L. Ball, Chief, Policy Division, to Mr. Jaime N. de Vera, dated May 14, 2014. A copy of the letter may be viewed on the FCC web-site through the International Bureau Filing System (IBFS) by searching for ITC-214-20070601-00211 and accessing “Other filings related to this application” from the Document Viewing area.

Wypoint should address its response to the Chief, International Bureau and file it in File No. **ITC-214-20070601-00211** via IBFS at <http://licensing.fcc.gov/myibfs/pleading.do>. It should also copy the Chief and Associate Chief of the Policy Division, International Bureau at James.Ball@fcc.gov and David.Krech@fcc.gov, respectively.

The proceeding in this Notice shall be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s ex parte rules.⁵ Persons making ex parte presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral ex parte presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the ex parte presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during ex parte meetings are deemed to be written ex parte presentations and must be filed consistent with rule 1.1206(b).⁶ Participants in this proceeding should familiarize themselves with the Commission’s ex parte rules.
