

Federal Communications Commission  
Washington, D.C. 20554

May 14, 2014

Mr. Jaime N de Vera  
714 El Caminito  
Livermore, CA 94550

Dear Mr. de Vera,

We forward for your response, the attached letter submitted by the Department of Justice (DoJ), including the Federal Bureau of Investigation, with the concurrence of the Department of Homeland Security (DHS) (collectively, the "Agencies") requesting that the FCC terminate, declare null and void and no longer in effect, and/or revoke the current authorization issued under file number **ITC-214-20070601-00211** to Wypoint Telecom, Inc. ("Wypoint") (certification holder name changed from VOIP Solutions, Inc. ("Sage") to Wypoint, per DA No. 07-4612 (November 15, 2007)). The Agencies allege that Wypoint has failed to comply with commitments and undertakings made with the Agencies by Sage, and compliance with which are a condition to the authorization issued to Sage by the Commission.<sup>1</sup> The Agencies further state that they have been unable to communicate with Wypoint for over a year in an effort to resolve this matter.

We request that Wypoint respond to the Agencies allegations within 30 days from the date of this letter (June 13, 2014). Please describe in your response any steps that you are taking or will take with the Agencies to resolve their concerns. If Wypoint no longer provides services under its authorization and does not intend to do so in the future, please indicate whether it is surrendering the authorization. A failure to respond to this letter will be deemed an admission of the facts alleged by the Agencies and could result in the issuance of an order to show cause as to why Wypoint's section 214 authorization should not be subject to termination.

We are addressing this letter to the most recent contact and address of record provided by Wypoint. Note that carriers with international section 214 authorizations are responsible for the continuing accuracy of the information provided to the Commission in its application and must promptly file corrected information where the certification is no longer accurate.<sup>2</sup>

Sincerely,

A handwritten signature in black ink that reads "James L. Ball".
