Helen -

Attached is a redlight dismissal letter for one of PD's section 214 applications. Erika, when she was in OCM, said that routine matters such as this do not have to be cleared upstairs. You approved a couple redlight dismissals in early February. Anyway, I reviewed the letter and it tracks the ones we did in Feb. I think this one looks fine and discussed with John. If you are okay with it, I'll let PD know to go ahead and send the letter and dismiss the pending application. Thanks!

Mr. Gillen,
This email advises you that your application for an International Section 214 Authorization filed on June 19, 2007 was dismissed today without prejudice to refiling because of WTI, LLC's failure to pay its delinquent debts to the Commission. Attached is a copy of the official dismissal letter. We have mailed the original letter to you.
