Mikelle,

The ownership is 50% each.

I have revised the response to question 9 based on the sample and the response to question 9 to reflect the ownership percentage.

If there is further information required, please let me know.

Thank you,  
Dan Pascaru

Mr. Pascaru,  
I just got back from vacation and read your previous email first. You can disregard that.

Looking at the attachment you sent regarding the ownership information, can you please clarify what percentages that you & Joseph each own.

Thank you,  
Mikelle
