Siobhan,

I just spoke with Ms. Harduvel and she said she will contact the applicant and try and get the information you requested, and let us know by COB Monday, 7/27, by replying to Mary's e-mail letting us know the status. I advised her that if we don't receive a positive response from her, I will proceed with the dismissal of their application.

Importance: High

JoAnn,

Thanks for your email. I have spoken to Ms. Harduvel and we confirmed by phone that she received the questionnaire on January 13, 2009. This was the third time the questions had been sent. Responses/answers have yet to be received from the applicant. DOJ asked that the questionnaire be completed by the end of the month (Tuesday, June 30th) so this application can be processed.

Siobhan,

I just received the attached e-mail from Ms. Simonetta indicating that she has not yet heard from you. She would like to complete the process for USA Communications Inc. so we can grant their application. I will let her know that I have asked you to contact her and you will do so soon.

Thank you,

JoAnn

Siobhan,

I just spoke with Ms. Simonetta P. Harduvel, Office Manager of Villaneuva & Banjindas, LLP and she was under the impression from a former employee that everything regarding this application was taken care and it had been completed. Please contact Simonetta at (305) 377-0086 or e-mail her at sharduvel@bajanddas-law.com.

Thanks!

JoAnn,

We sent the new triage questions on January 13, 2009. We also sent them an email on May 4, 2009, requesting a response to the triage questions within 2 weeks or that we would be requesting a dismissal. We have not heard from them and therefore are requesting that this application be dismissed.
