JoAnn,

Thanks for your email. We had been working on new, tailored questions internally to send to the applicant. Those questions have been finalized and will be sent to USA Communications' counsel today. I will be sure to let you know if USA Communications's counsel is not responsive.

Thanks again.

Siobhan,

I'm in the process of dismissing USA Comm's application (ITC-214-20070717-00297) for non-response to EB, but I wanted to double check with you to see if they have been in contact with you recently. Please let me know the status.

Thank you,

JoAnn

Mr. Bajandas:

Attached is a letter requesting that you notify us by December 18, 2008 and confirm that you have responded to the Executive Branch's request for information and the date of the response. If we do not hear from you by this date, we will begin the dismissal process to dismiss your application without prejudice of re-filing. I will mail the original letter to you.
