Hello JoAnn -

I have not heard from USA Communications. I also checked the file and do not see any more recent correspondence from USA Communications.

The triage questions were re-sent to USA Communications for a third time on July 24, 2008. They were re-sent for the second time to USA Communications on April 15, 2008. The triage questions were sent for the first time to USA Communications at a date prior (exact date not available).

Siobhan,

We would like to dismiss USA Communications application (TTC-214-20070717-00297), because it is now 16 months old. However, I cannot begin the dismissal process until I hear from you whether USA Communications has been in contact with you. Would you please let me know ASAP whether you have heard from USA Communications and whether it is an active case. If it is not an active case, we will begin the dismissal process.

Thank you,

JoAnn

Hi JoAnn,

Both matters have been assigned to attorneys as follows:

USA Comm is being handled by Siobhan Dupuy

Infotel is being handled by Jon Poling

I am sending them each a copy of this request and I ask that they respond directly to you about your inquiry, as they are most familiar with the status of each matter.

Thanks for your help with these.

Sincerely,

Joanne

Joanne,

Just checking to see whether you have received anything from USA Communications, Inc. or Infotel Group Corporation. If not, are you OK if we begin the dismissal process?

We sent a letter to PhoneBrasil on October 8th, requesting by the 22nd the date they made contact with Team Telecom, or we're going to dismiss their application.

Joanne,

The status of the applications we began dismissal process in July 2008 is as follows:

Telecom AG, LLC (ITC-214-20070801-00312) - granted 9/2/08
Apricot Management LLC (ITC-214-20070819-00344) - dismissed 9/30/08
Palestine Telecommunications Company PLC (ITC-214-20070226-00085) - dismissed 9/30/08

PhoneBrasil International, Inc. (ITC-214-20070730-00307) - Per Jennifer's e-mail of today (10/2/08) (see attached), Team Telecom has not heard from them so I am beginning the dismissal process.

USA Communications, Inc. (ITC-214-20070717-00297) - The last correspondence I have on this application is an e-mail from you dated 7/24/08 (11:39 am) to Mikkelle, Jennifer Rockoff, Dupuy, Siobhan, Doug Daniels and cc to Mary Wheaton. The e-mail says: "I also call the person listed below so that she knows the qs are being sent. She indicated she is newly assigned to this matter." If Team Telecom has not heard anything else from them, would you like me to begin the dismissal process on this application?

Infotel Group Corporation (ITC-214-20070920-00384) - The last correspondence I have on this application is an e-mail from Thomas Lynch dtd 7/23/08 (see attached). If Team Telecom has not heard anything else from them, would you like me to begin the dismissal process on this application?

Let me know if I've missed anything or you have any questions.

JoAnn

Would appreciate an update regarding whether this application was dismissed without prejudice - the FCC send several of these letters on 7/23, and would appreciate knowing if this whole group was dismissed

thanks,

Joanne

Re: ITC-214-20070717-00297

Mr. Bajandas,
Attached is a letter requesting that you notify us by August 13, 2008 the status of your pending application in the Executive Branch review process, plus confirmation that you still wish to seek Commission action on the application. If we do not hear from you by this date, it will subject your application to dismissal without prejudice.

Thank you,

Mikelle
