 Office of the Secretary

**PETITION TO ADOPT CONDITIONS TO
 AUTHORIZATIONS AND LICENSES**

The Department of Homeland Security (“DHS”), with the concurrence of the Department of Justice (“DOJ”) and the Federal Bureau of Investigation (“FBI”) (collectively, the “Agencies”), respectfully submit this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“FCC” or “Commission”) rules.¹ Through this Petition, the Agencies advise the Commission that they have no objection to the Commission granting its consent in the above-referenced proceeding, provided that the Commission conditions the grant on Zed Telecom, Inc. (“Zed”) abiding by the commitments and undertakings contained in its October 9, 2007 letter to Charles Steele, Stewart A. Baker, and Elaine N. Lammert (the “Letter”) attached hereto as Exhibit 1.

In the above-captioned proceedings, Zed has petitioned the Commission for an international authorization for authority to provide international facilities-based and resold

services to all international points under Section 214 of the Communications Act of 1934, as amended.

As the Commission is aware, the Agencies have taken the position that their ability to satisfy their obligations to protect the national security, enforce the laws, and preserve the safety of the public could be impaired by transactions in which foreign entities will own or operate a part of the U.S. telecommunications system, or in which foreign-located facilities will be used to provide domestic telecommunications services to U.S. customers. After discussions with representatives of Zed in connection with the proposed request, the Agencies have concluded that the commitments set forth in the Letter will help ensure that the Agencies and other entities with responsibility for enforcing the law, protecting the national security, and preserving public safety can proceed in a legal, secure, and confidential manner to satisfy these responsibilities. Accordingly, the Agencies hereby advise the Commission that they have no objection to the Commission granting the above-referenced petition provided that the Commission conditions its consent on compliance by Zed with the commitments set forth in the Letter.

The Agencies are authorized to state that the Applicants do not object to the grant of this Petition.

Respectfully submitted,

Re: Pending Application by Zed Telecom, Inc. for international authorization under Section 214 of the Communications Act of 1934, as amended.

Ladies and Gentlemen:

This letter outlines the commitments made by Zed Telecom, Inc. ("the Company") to the U.S. Department of Justice ("DOJ"), including the Federal Bureau of Investigation ("FBI"), and to the U.S. Department of Homeland Security ("DHS"), in order to address national security, law enforcement, and public safety concerns raised with regard to the Company's application to the Federal Communications Commission ("FCC") for an international authorization for authority to provide international facilities-based and resold services to all international points under Section 214 of the Communications Act of 1934, as amended.

The Company agrees that, for all customer billing records, subscriber information, and any other related information used, processed, or maintained in the ordinary course of business relating to communications services offered to U.S. persons ("U.S. Records"), the Company will make such U.S. Records available in the United States in response to lawful U.S. process. For these purposes, U.S. Records shall include information subject to disclosure to a U.S. Federal or state governmental entity under the procedures specified in Sections 2703(c) and (d) and Section 2709 of Title 18 of the United States Code. The Company agrees to ensure that U.S. Records are not made subject to mandatory destruction under any foreign laws.

The Company understands that, upon execution of this letter by an authorized representative or attorney for the Company, DOJ, FBI, and DHS shall notify the FCC that DOJ, FBI, and DHS have no objection to the FCC's grant of the above-referenced application.

Sincerely,

Zed Telecom, Inc.
