Re: Request for Number Info Service, LLC Withdrawal of International 214 License;  
ITC-214-20070921-00387

Dear Secretary Dortch:

Number Info Service, LLC, by its undersigned counsel, submits an original and four (4) copies of this request for withdrawal of its international 214 license (File No. ITC-214-20070921-00387). On October 12, 2007, the Commission granted Number Info Service's application to provide facilities-based and resale international services. To date, Number Info Service has not provided any services pursuant to this 214 license and has no customers for these services. Accordingly, section 63.19 of the Commission's rules governing discontinuance, reduction or impairment of service does not apply in this case.

Please contact the undersigned if you should have any questions or need additional information regarding this request. Thank you for your attention to this matter.

Respectfully submitted,

  
Wendy M. Creeden
