Dear Mikelle,

Good afternoon. Thank you for your email.

We intend to initiate a business of trading wholesale international VoIP traffic using a soft switch in United States. We do not intend to trade any traffic of Cuba. This is also to clarify that I, Shah M Reaz is the 100% owner of SkyHigh Communications LLC.

Thanks you for your cooperation.

Good Afternoon,
After reviewing your application for Skyhigh Communications LLC, ITC-214-20071101-00448, we need to confirm that you will be providing resale services (e)(2) only, to all points except Cuba? Also, we need to know what percentage of ownership do you have in Skyhigh? If you could please provide me with this information ASAP, we should be able to begin processing the application.

Thank you,
Mikelle Morra
