Ms. Ongman,

The following is to confirm our telephone conversation. Please note that the company is still interested in the FCC 214 Authority. We were hoping to have the answers to the triage questions today instead of just an indication of interest as the actual requirement of your October 7, 2008 email. Additional time up until next Friday is requested per the client to provide additional data on equipment and other items they wish to include.

Please accept this as an indication of applicant's interest in continuing with application process as required by your October 6, 2008 email.

If you have any questions, please feel free to contact me either by telephone or email.

Best Regards

Jorge,

To follow-up on our conversation earlier this AM, we have not received answers to the questions sent regarding the above captioned matter - the entry on your list below that its been approved by the FCC appears to be an error.

We are currently reviewing the application - Kmedia itc-t/c-20071217-00506. To assist us in this review, we have previously provided questions to the

Mrs. Sutton,

The following is the FCC 214 Pending Application Amendment that was filed electronically on the FCC website for **Kmedia, Inc. dba Vivophone FCC 214# ITC-214-20071217-00506**. Please see the attached documents for details and note that upon review of the initial FCC 214 filing and since the time of that initial filing, some of the applicant's ownership information and contact data has changed. This came about just as I was about to send information requested by Team Telecom for this applicant's FCC 214 DOJ Review.

The information that has changed since the initial FCC application filing is as such:

**#1**  
Gaspar Capitano (*previously listed as 100% owner*) who was on the initial filing is no longer associated with the company. The financial backers of Kmedia, Inc. (*Nelson Roach and Darwin Roach*) decided to move forward with shareholder equity stakes in the company instead of being debt based backers of the company. Both Mr. Nelson Roach and Mr. Darwin Roach are listed on the FCC 214 amended application and FCC 214 Triage questions.

**#2**  
The applicant moved from the initial location of 10435 NW 29 Terrace Bay, #2, Miami, FL 33172 to 10470 NW 26 St, Bay B, Miami, FL 33172.

If you have any questions, please feel free to contact me either by telephone or email.
