Mrs. Sutton,

The following is the FCC 214 Pending Application Amendment that was filed electronically on the FCC website for **Kmedia, Inc. dba Vivophone FCC 214# ITC-214-20071217-00506**

Please see the attached documents for details and note that upon review of the initial FCC 214 filing and since the time of that initial filing, some of the applicant's ownership information and contact data has changed. This came about just as I was about to send information requested by Team Telecom for this applicant's FCC 214 DOJ Review.

The information that has changed since the initial FCC application filing is as such:

#1

Gaspar Capitano (*previously listed as 100% owner*) who was on the initial filing is no longer associated with the company. The financial backers of Kmedia, Inc. (*Nelson Roach and Dariwn Roach*) decided to move forward with shareholder equity stakes in the company instead of being debt based backers of the company. Both Mr. Nelson Roach and Mr. Darwin Roach are listed on the FCC 214 amended application and FCC 214 Triage questions.

#2

The applicant moved from the initial location of 10435 NW 29 Terrace Bay, #2 , Miami, FL 33172 to 10470 NW 26 St, Bay B, Miami, FL 33172.

If you have any questions, please feel free to contact me either by telephone or email.

Best Regards
