**REQUEST BY ISAN TELECOM, INC. FOR SURRENDER OF AUTHORITY**  
(SURRENDER OF INTERNATIONAL SECTION 214 AUTHORITY)

ISAN Telecom, Inc., (hereafter called "Applicant") hereby requests approval by the Federal Communications Commission ("Commission") for the Surrender of International Authority pursuant to 47 U.S.C. § 214 et. al. ("Surrender") and as required by 47 CFR § 63.19, *Special Procedures for Discontinuance of International Services*, and 47 CFR § 63.71 of the Commission's Rules ("Discontinuance"). The following information is submitted, as required by 47 CFR § 63.71 of the Commission's Rules, in support of Applicant's request for Surrender and Discontinuance:

**47 C.F.R. § 63.71 (a) Statement:**

Carrier Name:	ISAN Telecom, Inc.
File No.:	ITC-214-20080204-00044
Carrier Address:	2333 Brickell Avenue, Suite 1004, Miami, FL 33129
Date to Discontinue Service:	09/22/2008 (no service rendered)
Geographic Service Area(s):	Florida
Description of Service(s):	Telecommunications
Notices to Customers:	Pursuant to 47 C.F.R. § 63.71 (a)(5)(i).

**47 C.F.R. § 63.71 (a)(5)(i) Statement:**

ISAN Telecom, Inc. is non-dominant with respect to the services being discontinued. No customers have been served by the Carrier since it obtained authority from the Commission under ITC-214-20080204-00044. Since September 22, 2008, ISAN Telecom, Inc. has been completely inactive in business.

**47 C.F.R. § 63.19 Compliance:**

**ISAN Telecom, Inc. maintained no customers during the course of its Authorization by the Commission.** Pursuant to 47 C.F.R. § 63.19, ISAN Telecom, Inc. would have been required to give notice to all affected customers of the planned discontinuance at least 60 days prior to its planned action. Such Notice would have been in writing to each affected customer. Good Cause exists in not providing such notice, or alternative notice, as no customers were served by the carrier in the particular case of ISAN Telecom, Inc. Should notice pursuant to 47 C.F.R. § 63.19 had been necessary, ISAN Telecom, Inc. would have presented the Notice found in Exhibit 1 of this Request.

**Regulatory Fee Liability Statement:**

ISAN Telecom, Inc. has not petitioned for Bankruptcy Protection under U.S. Federal or State Bankruptcy Protection, and does not intend to do so within the next consecutive ninety (90) calendar days. ISAN Telecom, Inc. certifies, by and through the undersigned corporate officer Mr. Carlos Verdesoto, that it has made arrangements to pay regulatory fees outstanding to the Commission and has reviewed the FCC Fee Filer system to identify regulatory fees outstanding. ISAN Telecom, Inc. will continue to reach out and pay to the Commission's Sub-agencies and Assigns administering and collecting Regulatory fees for the Commission, including for payment of Universal Service Fund Contributions, Telecommunication Relay Service Fee, North American Number Plan Contributions, Local Number Portability Administration Contributions and the FCC ITSP Fee.

ISAN Telecom, Inc. understands that delinquent telecommunication contributors/debtors fall under the Commission's "red light rule" and that the red light rule requires the Commission to withhold action on applications and other requests for benefits when the Entity applying for or seeking benefits is delinquent in non-tax debts owed to the Commission, and to dismiss such applications or other request if the delinquency is not resolved. **ISAN Telecom, Inc. understands that the failure to pay all outstanding regulatory fees may result in either a withhold of action or dismissal of this application by the Commission.**

ISAN Telecom, Inc. hereby certifies that it has notified and submitted a copy of this application to the Secretary of Defense; to the state PUCs; and the governors of the states in which service will be affected, as required by law and regulation based upon ISAN Telecom, Inc. s service and service areas.

### CONCLUSION

In conclusion of the foregoing Application, ISAN Telecom, Inc. certifies that all of the information in this application is accurate and correct. For these reasons, respectfully requests that the Commission grant this application.

Respectfully submitted,

ISAN TELECOM, INC

**REQUEST BY ISAN TELECOM FOR DISCONTINUANCE OF SERVICE**  
(SURRENDER OF INTERNATIONAL SECTION 214 AUTHORITY)

Exhibit 1

Notice to Customer  
Language of Notice

Dear ISAN Telecom, Inc. Customer:

We hereby inform you that ISAN Telecom, Inc will discontinue providing any and all international services or any other telecommunication services, effective January 31, 2008 ("Effective Date").

Please feel free to replace your services with any other authorized and licensed provider you may select on or before the Effective Date.

The Federal Communication Commission ("FCC") will authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than fifteen (15) days after the Commission releases public notice of this proposed discontinuance. Address them to the Federal Communications Commission, International Bureau, Washington DC 20554 or through the Electronic Comment Filing System (ECFS) found at [www.fcc.gov](http://www.fcc.gov) and include in your comments a reference to the 47 C.F.R. Section 63.71 Request of ISAN Telecom, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including inability to acquire substitute services.

Sincerely,

Mr. Carlos Verdesoto  
President of ISAN TELECOM, INC.
