Re: Notification of Name Change

Dear Secretary Dortch:

Liberty-Bell Telecom, LLC (the "Company") advises the Federal Communications Commission that it has changed its name to dishNET Wireline L.L.C. This notice is provided pursuant to 47 C.F.R. §63.21 and the Commission's policies and procedures,

The Company holds (under the name Liberty-Bell Telecom, LLC) global international Section 214 authority, pursuant to authority granted by the Commission in IB File No. ITC-214-20080219-00066, as amended in IB File No. ITC-AMD-20100524-00206, as well as blanket domestic interstate Section 214 authority.

The change in the Company's name will not result in any changes to the corporate form and will not involve any assignment or transfer of assets, customers or authorizations held by the Company. Furthermore, the name change is not the result of a transfer of control.

The change in corporate name will not affect any of the services provided by the Company. As a result, the name change will be transparent to customers in terms of the services that the Company's customers receive. The Company is providing notice to its customers to avoid any confusion that might result from the change.

While Commission approval is not required to complete a name change, the Company files this notification letter and respectfully requests that the Commission update its records to reflect the new name. As the Company has an access tariff on file with the Commission, the Company is contemporaneously filing under separate cover a tariff filing reflecting the new name. The Company will also update its FCC Registration Number.

An original and four (4) copies of this letter are enclosed. Please date-stamp and return the enclosed extra copy of this letter in the attached envelope.
