53% for Darren Mass
24% for Marc Gold
23% for David Schwed.

The other application has been withdrawn. FYI, the legal name is MassComm, Inc. d/b/a MASS Communications. For some reason it did not reflect this on the application.

Subject: Incomplete Section 214 Application

Mr. Mass,
Thank you for your recent application filed on behalf of MASS Communications, ITC-214-20080220-00084. In order to process your application, we need to clarify the percentage of ownership for Darren R. Mass, David L Schwed & Marc Gold.

Please provide me with this information ASAP.

Also, it looks like you filed a new application yesterday. You will need to go into IBFS and withdrawal your other application that was filed if you no longer want that one filed. Please feel free to give me a call if you have any questions.

Thank you.
