Subject: Turning In FCC 214 Authorization for Express Telecom

ITC-214-20080501-00202

Dear Secretary Dortch:

The following is a request to have the FCC 214 Authority of Express Telecom turned into the FCC. Please note that Express Telecom has submitted all of the required 499 Reports for revenues it generated in 2007 and YTD 2008. It is resolving any outstanding balances with the various regulatory agencies for FUSF, TRS, ITSP, NANPA and LNPA.

Express Telecom's business model had been more of a distributor and it will continue on that distributor business model. I will also turn in Express Telecom's FCC 499 ID# to USAC.

If you have any questions or comments about this filing, please free to call my regulatory consultant on this item, Mr. Alonzo Beyene of Regulatory Back Office, Inc. at Tel# (305)-477-7580 ext# 105 or send an email to telecomstate@regbackoffice.com. Please courtesy copy me on all communications.

Please email or mail back this letter stamped so that it can be present to the FCC International Bureau.

Sincerely,

X
