State Long Distance Telephone Company

In the Matter of

State Long Distance Telephone Company

Re: ITC-214-20080527-00242

REQUEST FOR SPECIAL TEMPORARY AUTHORITY

Pursuant To Section 63.25 of the Commission's rules (47 C.F.R. § 63.25), State Long Distance Telephone Company ("State LD" or "Applicant") hereby requests special temporary authority to provide global resale service under Section 63.18(e)(2) of the Commission's rules (47 C.F.R. § 63.18(e)(2)) until the earlier of six months or the date on which the Commission grants State LD permanent international 214 authority to provide such service. An application for such permanent authority is being filed contemporaneously.

DESCRIPTION OF THE APPLICANT

State LD is a wholly-owned subsidiary of State Long Distance Telecom, Ltd., both of which are Wisconsin corporations. State LD began providing local telephone service in 1900. Today, it is an incumbent local exchange carrier ("ILEC") serving Elkhorn, Wisconsin and surrounding townships in Walworth County, which is located in southeastern Wisconsin. Its study area code is 330955. In 2001, State LD began reselling domestic and international switched interexchange service within its ILEC service area. As is discussed below, State LD only recently became aware of the need to obtain international 214 authority for its small international resale operation. Accordingly, it is now seeking global resale authority pursuant to 47 C.F.R. § 63.18(e)(2) and special temporary authority to continue providing such service until
