Re: Section 214 applications

Dear Sir or Madam:

Please review the following applications and advise us whether you have any national security, law enforcement, foreign policy or trade concerns by **C.O.B. Oct. 8, 2008**, because we are prepared to take action on these applications. **Electronic filed (e-file) applications are able to be viewed by accessing www.fcc.gov/ibfs and searching by the file number.**

TTC-214-20080912-00429 (e-file)

Ogi Telecom Corporation's application for authority to provide facilities-based and resale services between the United States and permissible international points. Applicant is 100% owned by a citizen of **Brazil**.

TTC-214-20080916-00431 (e-file)

EGLA Corp's application for authority to provide resale services between the United States and permissible international points. Three citizens of **Honduras**, each of whom owns 20%, 60%, and 20% of the applicant, respectively.

TTC-T/C-20080913-00428 (e-file)

Application for consent to the transfer control of international section 214 authorization, TTC-214-19990927-00607, held by CM Tel (USA) LLC, (Applicant), from China Motion Telecom International Limited to Pacific Networks Corp.

Pacific Networks Corp. holds a section 214 authorization (TTC-214-20070907-00368) to provide international resold services with condition on Pacific Network Corp. abiding by the commitments and undertakings contained in its September 2, 2008 letter to DHS and DOJ. (See Public Notice DA 08-2037, released September 4, 2008.)

Through numerous intervening foreign-organized holding companies, the **Chinese Government** would hold a 14% indirect ownership (29% attributable interest) in the Applicant, and therefore the Applicant would be affiliated with Chinese carriers owned or controlled by the Chinese Government, including China Telecom. The Applicant will offer resale service between the United States and **Hong Kong** and the United States and **China** solely through the resale of unaffiliated U.S. facilities-based carriers' international switched services. Therefore the Applicant would also be affiliated with CTTIC Telecom 1616 Limited, a foreign carrier in Hong Kong.

If we do not hear from you by **C.O.B. Oct. 8, 2008**, we will assume that you do not have any concerns with the above listed applications.

Sincerely,

George Li, Deputy Chief, Policy Division
