Washington, D.C. 20554

*Re: Confirmation of In-Service Date for the Honotua Submarine Cable System, FCC  
File Nos. SCL-LIC-20081008-00017 and ITC-214-20081008-00453*

Dear Ms. Dortch:

Through its counsel, l'Office des postes et télécommunications de Polynésie française ("OPT French Polynesia") confirms that the Honotua submarine cable system entered into commercial service on September 1, 2010, relying on special temporary authority granted in File Nos. SCL-STA-20100607-00013 and ITC-STA-20100607-00224. As the Commission did not grant a cable landing license for Honotua until December 6, 2010, OPT French Polynesia hereby confirms its understanding that the 25-year license term provided in 47 C.F.R. § 1.767(g)(15) is calculated from December 6, 2010.

Respectfully submitted,

Kent Bressie  
*Counsel for OPT French Polynesia*
