Re: Pacific Networks Corp.; Supplement to International Section 214 Application (ITC-214-20090105-00006)

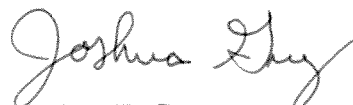

Dear Sir or Madam:

Pacific Networks Corp. ("Pacific Networks"), by its counsel, files this supplement to clarify the authority granted in the above-referenced authorization. On April 8, 2009 the Commission granted authority to Pacific Networks to provide resale service in accordance with section 63.18(e)(2) of the Commission's rules, 47 C.F.R. § 63.18(e)(2). *See* International Authorizations Granted, Public Notice, DA 09-799 (April 9, 2009).

Pacific Networks confirms that it seeks authority to provide resale service pursuant to section 63.18(e)(2) on all U.S. routes, except U.S.-China and U.S.-Hong Kong, where it will be authorized pursuant to section 63.18(e)(3) to provide switched services solely through the resale of unaffiliated U.S. facilities-based carriers' international switched services (either directly or indirectly through the resale of another U.S. resale carrier's international switched services). *See* 47 C.F.R. § 63.10(a)(4); *see also* Section 214 Application, File No. ITC-214-20090105-00006, Attachment 1 at 1.

Sincerely,

SQUIRE, SANDERS & DEMPSEY L.L.P.
