Hi JoAnn,

Just to let you know, I talked with Mr. Solana this afternoon. He mentioned that the Applicant is contemplating changing their ownership structure. I told him that should they do so, they should let you all know since I could not advise whether or not they would need to change their FCC application.

Thanks again for following up on this one for us. It helped. We are told now that they will be responding to our questions within a week.

Mr. Solana,

Thank you for advising us that your client wishes to continue to pursue their 214 application. As long as you are actively working with the Executive Branch to complete the application, we will not dismiss it.

JoAnn
