Mr. Bulgari:

Attached is a letter requesting that you notify us by June 4, 2009 the status of your pending application in the Executive Branch review process, plus confirmation that you still wish to seek Commission action on the application. If we do not hear from you by this date, it will subject your application to dismissal without prejudice.

Hello FCC,

We have another case in which the Applicants have failed to respond to our questions which we requested they answer. Without these responses, we are unable to complete our review. The case is Bras Am Alliance, LLC (ITC-214-20090116-00019).

As this case has been pending for several months and we have gotten no response, we wonder whether the FCC may reach out to the Applicants to confirm their continued interest in their FCC application and/or dismiss this case without prejudice as to refiling.

Please let me know if you have any questions. Many thanks as always for your help!! Jennifer
