

I'll submit an update to IBFS shortly.

Per the CEO of Zoom:

Derek, no entity or individual owns 10% or more of Zoom. Of course that could change, but then we'd know about it through a required SEC filing.

Is that what you need?

Regards..Frank

I was able to dig up the significant share holders of Zoom on-line... And this agrees with Frank's statement above:

Owner Name	Shares Held	% Outstanding
BARCLAYS GLOBAL INVE...	36,783	1.84%
CITADEL L P	11,507	0.58%
PNC FINANCIAL SERVIC...	11,116	0.56%

DEUTSCHE BANK AG\	47	0.00%
VANTAGEPOINT MID/SMALL COMPANY INDEX FUND	542	0.03%
VANTAGEPOINT FDS-BROAD MARKET INDEX FUND	542	0.03%

Below was taken from a 2005 Schedule 14A discussing board of directors stock compensation:

Frank B. Manning	150,069	7.50%
Peter R. Kramer	125,196	6.26%
Bernard Furman	15,200	0.76%

Good Morning,

The IBFS website, Pleadings and Comments tab, is a way for applicants to file supplemental information to their applications at all times, but, you can always send

information to me as well. The document you provided still does not include the owner of Zoom Technologies Inc. and their citizenship. Please submit this information as soon as possible so we can continue processing your application. Thank You!

Janeese,

Please find attached the revised answer to question 14 that I believe provides the clarity you were requested. I'm a little confused by your last 2 sentences... Is emailing you this document enough? Or do I also have to submit the document via IBFS?

Derek
