RE: Surrender of International 214 Authorization – Proactive Communications, Inc.

Dear Secretary Dortch:

Proactive Communications, Inc. ("PCI") by undersigned counsel, hereby surrenders its International 214 Authorization, granted by the Federal Communications Commission ("FCC") in File No: ITC-214-20090409-00151. PCI is not discontinuing services, but rather offers only Interconnected VoIP services and Internet access services. Because these services do not require PCI to have an International 214 license, the Company is surrendering its license effective immediately.

Should you have any questions, please contact the undersigned directly.

Respectfully Submitted,

Joanna G. Wallace
Counsel for Proactive Communications, Inc.
