**Re: VCONEXION, Inc. (FCC File No. ITC-214-20090709-00321)
Supplement to International Section 214 Application**

Dear Ms. Dortch:

On behalf of VCONEXION, Inc. ("VCONEXION"), enclosed herewith for filing is a supplemental attachment to the company's pending application for an International Section 214 Authorization (FCC File No. ITC-214-20090709-00321). Specifically, **Exhibit A**, enclosed with this letter, amends VCONEXION's ownership information, which was contained in Attachment 2 of the original Section 214 application, reflecting the current ownership structure of the company.

VCONEXION's Section 214 application was filed on July 9, 2009. On this date, four individuals had an ownership interest in the company greater than 10% (Jesus Villeta, Alfredo Vidal, Felton Messina and Reynaldo Aracena). Subsequent to the filing, we were notified that Reynaldo Aracena and Alfredo Vidal were no longer part-owners of the company. **Exhibit A** contains the individuals who presently have a greater than 10% ownership interest in VCONEXION and their respective ownership interests.

In addition, on July 20, 2009, VCONEXION was flagged by "Team Telecom" and removed from the FCC's streamlined approval process. We are assisting VCONEXION with a response to Team Telecom's questionnaire. In conjunction with the filing of this letter, we will

notify Team Telecom with the updated application information by forwarding a copy of this letter to those Team Telecom members assigned to VCONEXION.

If you have any questions about the information contained in this letter, please do not hesitate to contact me.

Respectfully submitted,

/s/

Chris Canter
Counsel for VCONEXION, Inc.
