Re: *Notice of Discontinuance of Service Pursuant to 47 C.F.R. § 63.19*

Dear Ms. Dortch:

Pursuant to Section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and Section 63.19 of the Commission's rules, 47 C.F.R. § 63.19, GTI Corporation d/b/a GTI Telecom ("GTI"), a member of the Globe group of companies, hereby notifies the Commission that it plans to discontinue its provision of DUO USA, a calling service on the U.S.-Philippines route that provides international long-distance calls, effective September 27, 2018. The U.S.-Philippines route is a competitive route served by a number of U.S. providers.

DUO USA assigns a U.S. Landline number to the Globe or TM (Globe's mobile brand) number in the Philippines and thereby allows U.S. customers to make calls to the Philippines anytime by just dialing the assigned local U.S. number. The DUO USA service offers 7-day, 30-day, 90-day and 180-day plans. Subscriptions to the DUO USA service are available via online subscription (through debit or credit card) or via the DUO USA prepaid cards (only for the 30-day plan).

Please note that DUO USA is not a subscription-based service where subscribers are automatically charged for the service. Subscription to the DUO USA service is terminated upon expiration of the service and can be renewed at the option of the subscriber. GTI will stop selling the DUO USA Prepaid Cards by March 31, 2018, but will allow subscribers to use their DUO USA prepaid cards until July 31, 2018, with service available until September 27, 2018. DUO USA Online subscriptions will stop by April 30, 2018, with service available until September 27, 2018. GTI's discontinuance of the DUO USA service will affect customers located in all 50 U.S. States. GTI provides international service pursuant to International 214 Authorization Number ITC-214-20090831-00403.¹ GTI will provide notification about this planned discontinuance via email to existing subscribers, information on our website (www.globemobile.us), and our Facebook page (GTI Telecom – Globe USA).

¹ GTI is not relinquishing this international Section 214 authorization, and will continue to provide other international services.

LETTER:

Dear Valued DUO USA subscriber,

Welcome to a wonderful world that reaches beyond borders.

We're thankful that you've allowed us to help you call your loved ones in the Philippines with ease and comfort.

As one of our valued DUO USA subscribers, we wish to inform you that GTI recently had a review of its products and services as well as the calling needs and behavior of our customers like you. One of the key takeaways from this review is that the customer's needs are changing and there is a great need for a better service.

Unfortunately, starting April 1, 2018, GTI will no longer be selling Duo USA Prepaid Cards. In addition, DUO USA Online subscription will no longer be available starting April 30, 2018. However, DUO USA Prepaid cards will be available for subscription until July 31, 2018 for those who have purchased DUO USA prepaid cards prior to April 1, 2018. After September 27, GTI will no longer service DUO USA.

But, don't worry! As part of our commitment to give you the best possible experience to stay in touch with your loved ones in the Philippines, we have partnered with some of the best local providers to ensure ease and availability of our calling services in the U.S.

While DUO has been a great service, GTI remains true to its commitment to provide wonderful experiences and part of that is coming up with a better service that enables you to have a more affordable and flexible way of calling your loved ones in the Philippines.

In lieu of Duo USA, we are offering various other calling partnership with several providers. Among them are the following:
