Sierra Co-Invest, LLC ("Co-Invest"), Silver Lake Partners III, LP ("SLP III") and TPG Partners V, LP ("TPG") are each controlled by a US general partner or a US managing member, as applicable, that owns a very small percentage of the interests in the applicable entity, but exercises control over the voting rights of the entity. There are a series of limited partnerships or limited liability companies above Co-Invest, SLP III or TPG and all the way up their respective ownership chains, and at each level, the majority of the ownership interests are held by passive investors and a US general partner or a US managing member controls the voting rights of the applicable entity. This structure is typical among private equity funds and for Co-Invest, SLP III and TPG, each investment vehicle is ultimately controlled by US persons.
