***Re: Telax Voice Solutions, Inc. (FCC File No. ITC-214-20100331-00137)
Supplement to International Section 214 Application***

Dear Ms. Dortch:

On behalf of Telax Voice Services, Inc. ("Telax"), enclosed herewith for filing is a supplemental attachment to the company's pending application for an International Section 214 Authorization (FCC File No. ITC-214-20100331-00137). Specifically, **Exhibit A**, enclosed with this letter, amends Telax's ownership information, which was contained in Attachment 2 of the original Section 214 application, reflecting the current ownership structure of the company.

Telax's Section 214 application was filed on March 31, 2010. Because the distribution ownership information within the company is limited to certain members of management, the individuals preparing Telax's application understood that Mario Perez-Perez owned 100% of the company. During the course of Team Telecom's review of the application, we determined that Mr. Perez's ownership is actually 90% and another individual owns a 10% interest in the company. We have advised Team Telecom of the updated information and will be forwarding a copy of this letter to those Team Telecom members assigned to Telax.

If you have any questions about the information contained in this letter, please do not hesitate to contact me.

Respectfully submitted,

/s/

Michael P. Donahue
