**Re: Surrender of International 214 Authorization File No. ITC-214-20100526-00217**

Dear Ms. Dortch:

True Wireless, LLC ("True Wireless") hereby surrenders the above-referenced international Section 214 authorization, effective as of the date of this letter. True Wireless had sought and received the authorization under the mistaken belief that such authorization was necessary. True Wireless offers no international services to any customer, however, as it provides only domestic toll services to its customers who all participate in the federal Low Income program.

Should you have any questions regarding this filing, please do not hesitate to contact me.

Respectfully submitted,

Danielle Frappier
