In response to question 15:

Applicant has not received any Section 214 approval from the Commission for any services prior to the present application.

Applicant is seeking authorization as it applies to provide international prepaid and credit-based calling card services utilizing VoIP to all international points except for non-WTO member countries. Applicant certifies that it will comply with terms and conditions contained in Sections 63.21, 63.22 and/or 63.23 of the Commission's rules as appropriate.

As applicant is not seeking authorization for facilities-based authority under Section 63.18(e)(3), there is no need for an environmental assessment as described in Section 1.1311 of the Commission's rules.
