Before the  
**FEDERAL COMMUNICATIONS COMMISSION**  
Washington, D.C. 20554

In the Matter of:

**Metrotel International, LLC**

Application for Authority Pursuant to Section 214 of the Communications Act of 1934, as amended, to Provide Resold Services to all International Points

**9. Metrotel International, LLC (“Metro”) attests to its qualification for streamlined processing under 63.12 as follows:**

a) **Metro** is not a foreign carrier, nor does it control a foreign carrier as defined in Section 63.09(d), in any destination market.

b) No two or more foreign carriers, or parties that control foreign carriers, own more than 25% of **Metro** or are parties to or beneficiaries of a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.

c) **Metro** has no affiliation with a dominant US carrier whose international switched or private line services Metro seeks authority to resell.

**10. Metro seeks authority to provide switched services over private lines pursuant to 63.16 as follows:**

**Metro** will only provide switched services over its authorized private lines if the country at the foreign end of the private line appears on the Commission list of destinations to which the Commission has authorized the provision of switched services over private lines. METRO does not seek to add a foreign market to the Commission’s list at this time.
