

Answer to Question 9

Spread Telecommunications, LLC (“Spread Telecommunications”) requests streamlined processing of this Application pursuant to Section 63.12 of the Commission’s Rules, 47 C.F.R. § 63.12. This Application qualifies for streamlined treatment under Section 63.12(c) of the Commission’s Rules because (i) Spread Telecommunications is not a foreign carrier in any destination market, and is not affiliated with any foreign carrier in any destination market; (ii) Spread Telecommunications is not affiliated with any dominant U.S. carrier whose international switched or private line services Spread Telecommunications seeks authority to resell; and (iii) none of the other scenarios outlined in Section 63.12(c) of the Commission’s Rules, 47 C.F.R. § 63.12, apply. Accordingly, Spread Telecommunications qualifies for a presumption of non-dominant treatment on all routes and this Application qualifies for streamlined processing.
