Re: Notice of Relinquishment of International 214 License of CSI Technology Outfitters

Dear Ms. Dortch:

Pursuant to Section 63.19 of the Federal Communications Commission ("FCC" or "Commission") rules,¹ CSI Technology Outfitters ("CSI") hereby submits its notice of relinquishment of its International 214 License (ITC-214-20110526-00152).² To date CSI has not provided regulated telecommunications services subject to the FCC's 214 License requirements. This notification request is submitted as a formality in order to de-list the company's 214 License from the FCC's records.

CSI submits that no customer notice is required under FCC Rule 63.19 because CSI does not have any affected customers. It does not provide international telecommunications services and has no international customers. CSI provides domestic voice over Internet protocol service only.

This notice is being filed electronically via IBFS. Should you have any questions with respect to this matter, please contact the undersigned.

Respectfully Submitted,

Michael Donahue
