* Indicates individuals and entities in the chain of ownership of AC Acquisition I, LLC and/or AC Acquisition II, LLC (collectively, "Ripplewood"). Ripplewood appoints four out of nine members of the board of directors of Gogo Inc. (the "Company"). Moreover, the current stockholder agreement gives Ripplewood special rights, including the right to consult with the company in advance of significant decisions, including changes in management personnel, changes in employee compensation, introduction of new products, acquisitions or disposition of plant, equipment and licenses, and R&D programs. Ripplewood also serves as the designated contact for Gogo's primary FCC license. Therefore, Ripplewood likely meets the standard for exercising *de facto* control.

[†] Oakleigh Thorne appoints three of nine members of the board of directors. The Company regularly consults with Thorne in advance of making significant business decisions, as it does with Ripplewood.
