## PETITION TO ADOPT CONDITIONS TO AUTHORIZATIONS AND LICENSES

The Department of Justice (DOJ)(the Agency) submits this Petition to Adopt Conditions to Authorizations and Licenses (Petition), pursuant to Section 1.41 of the Federal Communications Commission ("Commission") rules. Through this Petition, the Agency advises the Commission that it has no objection to the Commission approving the authority sought in the above-referenced application (ITC-214-20120120-00018), provided that the Commission conditions its approval on the assurance of Itsoftel Communication USA LLC (Itsoftel), to abide by the commitments and undertakings set forth in the February 19, 2013 Letter of Assurances (LOA), which is attached hereto. In the above-referenced proceedings, the Applicant requests Commission consent to provide facilities-based and resale services between the United States and permissible international points.

<sup>&</sup>lt;sup>1</sup> 47 C.F.R. § 1.41.

After discussions with representatives of Itsoftel in connection with the above referenced application, the Agency has concluded that the additional commitments set forth in the LOA will help ensure that the Agency with responsibility for enforcing the law, protecting the national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, the Agency advises the Commission that it has no objection to the Commission granting the application in the above-referenced proceedings, provided that the Commission conditions its consent on compliance by Itsoftel with the LOA.

Respectfully submitted,
