

MCS MANOA COMMUNICATION SYSTEMS LLC

August 3, 2013

TO: ALL CUSTOMERS

As of September 5, 2013 Manoa Communication Systems will stop its sale of the Big Chat Calling Card. We will buy back any unsold card to those customers that purchased cash for their cards. Customers who were given cards on consignment must submit their proceeds to the sales agent for the cards sold. The cards that were not sold will be returned to the sales agent who set up the account.

Any customer bought a card before this notice was given must call the 800 number at the back of the card and speak to a customer representative who will give the customer an alternative pin number from another company in order for the user to complete his call. There would be no additional charge to the customer.
