

FEDERAL COMMUNICATIONS COMMISSION

INTERNATIONAL SECTION 214 APPLICATION

APPLICANT INFORMATION

ATTACHMENT 1- QUESTIONS 11 through 13

1. Voiamo US Inc ('Applicant') hereby certifies that it is affiliated with the corporations named in Q4 of the Application ('Affiliates').
2. Affiliates are all members of the Applicant's corporate group of companies ('Group').
3. Group parent is Voiamo Group Plc ('Parent'), a company registered in the United Kingdom under company number 03327108. Applicant is owned by Voiamo Limited, a second company registered in the United Kingdom under company number 06321375 which is owned by Parent.
4. Parent, Group and Applicant are 'start-up' trading organizations providing a novel mobile telecommunications data and voice service which avoids the need for conventional roaming solutions, which is scheduled for commercial launch during September 2012, so that there is no trading history.
5. Applicant seeks to provide US domestic telecommunications services to both US customers and international destinations.
6. Applicant seeks to provide international telecommunications services to the following destination countries where an entity (Voiamo Group Plc) owns more than 25% of Applicant:
 - (1) United Kingdom;
 - (2) Australia.Applicant's affiliated foreign carrier lacks market power in United Kingdom and Australia.
7. Applicant seeks to provide international telecommunications services to the following destination countries in addition to those specified in 6 above:
 - (1) All foreign jurisdictions.
8. Applicant desires to be regulated as non-dominant in the United Kingdom and Australia and all other destination countries on the ground that it is a 'start-up' trading organization which has never actively traded.
