SUPPLEMENTED APPLICATION

Quickly Phone USA, LLC. (“Quickly Phone USA” or “Applicant”), supplements its 214 application, File No. File ITC-214-20120920-00244, in the following sub-sections:

SECTION 63.18 INFORMATION

The following information is submitted, as required by Section 63.18 of the Commission’s Rules, in support of Applicant request for authorization:

‘(h) In support of this certification, the name, address, citizenship and principal business of the person that control ten percent or more of Quickly Phone USA is as follows:

Marco Antonio Fernandez Martinez
17971 Biscayne Blvd, Suite 201.
Aventura, Florida 33160
Ownership: 100%
Citizenship: Mexico
Business: Telecom

Quickly Phone USA states that Marco Antonio Fernandez Martinez holds 99% ownership in Quickly Phone S.A. de C.V, a resell carrier in Mexico that has just begun operations.

‘(i) Quickly Phone USA certifies that it is not affiliated with any foreign or U.S. facilities-based carrier. However, Marco Antonio Fernandez Martinez holds 99% of the shares of Quickly Phone S.A. de C.V.

‘(j) Quickly Phone USA certifies that it does not seek to provide international telecommunications services to any destination country for which any of the following is true:

1. Quickly Phone USA is a foreign carrier in that country; or
2. Quickly Phone USA controls a foreign carrier in that country.

However, Marco Antonio Fernandez Martinez, who owns 100 percent of Quickly Phone USA, controls Quickly Phone S.A de C.V., a foreign carrier in Mexico.

‘(k) Mexico is a member of the World Trade Organization. In addition, Quickly Phone S.A. de C.V started operations in July of 2013. It is not a facilities-based carrier, but a resale carrier that currently has no customers. As such, Quickly Phone S.A. de C.V. lacks market power in Mexico. In addition, Mexico provides effective competitive opportunities to U.S. carriers to compete in Mexico. Mexico’s recent telecommunications reform recently increased foreign ownership in telecommunications companies from 49% to 100%.¹ See article on Exhibit A.

‘(p) Quickly Phone USA does not request streamline processing.

CONCLUSION

In conclusion, Quickly Phone USA certifies that all of the information in this Application is accurate and correct. For these reasons, Quickly Phone USA respectfully requests that the Commission grant this Application.

Respectfully submitted,

Quickly Phone USA, LLC.
