Response to Question 9.

- Section 63.18(p) Applicant requests and qualifies for streamlined processing pursuant to Section 63.12(c)(1)(ii) because the Applicant's foreign carrier affiliate qualifies for a presumption of non-dominance under Section 63.10(a)(3), as explained below. Applicant also qualifies for streamlined processing pursuant to Section 63.12(c)(1)(iii) because its foreign carrier affiliate does not own bare capacity in international or domestic telecommunications facilities in the destination market of Canada.
- Section 63.10(a)(3) Alliance Communication Group ("ACG"), Applicant's foreign carrier affiliate, is not a monopoly provider of communications services in any market in Canada. ACG lacks fifty percent (50%) market share in the international transport and the local access markets on the foreign end of the applicable U.S. international route. ACG qualifies for a presumption of non-dominance.

Response to Questions 11-13.

- Section 63.18(i) Applicant certifies it is affiliated with a foreign carrier in Canada. Applicant is not affiliated with a foreign carrier in any other destination market.
- Section 63.18(j) Applicant certifies that it seeks to provide telecommunications services to Canada where an individual who owns more than 25 percent of the Applicant controls a foreign carrier (ACG) in the country.
- Section 63.18(k) Canada is a member of the World Trade Organization.
- Section 63.18(l) Applicant satisfies Section 63.10(a)(3). See above response to Question 9.
- Section 63.18(m) Applicant qualifies for non-dominant classification pursuant to Section 63.10. See above response to Question 9.
