**PETITION TO ADOPT CONDITIONS TO
AUTHORIZATIONS AND LICENSES**

The Department of Justice (“DOJ”) submits this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“Commission”) rules.¹ Through this Petition, DOJ advises the Commission that DOJ, the Department of Defense (“DOD”), and the Department of Homeland Security (“DHS”) (collectively the “USG Agencies”) have no objection to the Commission approving the authority sought in the above-referenced proceeding, provided that the Commission conditions its approval on the assurance of US Matrix Telecommunications, Inc. (“US Matrix”) to abide by the commitments and undertakings set forth in the July 15, 2015 Letter of Assurances (“LOA”) executed by DOJ and US Matrix, which is attached hereto and incorporated into this Petition by this reference. The above-referenced proceeding involves an application filed by US Matrix for authority to provide global or limited global facilities-based services and/or global or limited global resale services.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of

other U.S. government agencies with expertise in those areas. *See In the Matter of Comsat Corporation d/b/a Comsat Mobile Communications, etc.*, 16 FCC Rcd. 21,661, 21707 ¶ 94 (2001).

After discussions and communications with representatives of US Matrix in connection with the above-referenced proceeding, DOJ has concluded that the additional commitments set forth in the LOA will help ensure that the Executive Branch agencies with responsibility for enforcing the law, protecting the national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, the USG Agencies advise the Commission that they have no objection to the Commission granting the application in the above-referenced proceeding, provided that the Commission conditions its consent on compliance by US Matrix with the LOA.

Respectfully submitted,
