Re ITC-214-2013 0119-52019

Granted	FEB 15 2013
Policy Division International Bureau	
date: Expires: April 16, 2013	
authorized by: Chief, Policy Div. IB	
Signature James L. Ball	

Applicant acknowledges the conditions of STA as stated in the Supplement of Feb. 15, 2013.

Attachment 1

QUESTION: 10. In Attachment 1, provide justification of need for special temporary authority requested.

ANSWER: Five9 has been providing resale of international telecommunications services for several years but, as a result of good faith reliance on previous legal advice, was unaware of its need to register with the Federal Communications Commission or to secure Section 214 authorization. Five9 has now registered with the Commission as a contributor to the Universal Service Fund and is required to bring itself into compliance as promptly as possible under Section 214. Following a voluntary disclosure of its failure to register with the Commission as a reseller of long distance services, it is now responding to a Letter of Inquiry from the Enforcement Bureau, which has asked for proof that Five9 has received Section 214 authorization. Grant of Five9's request for Special Temporary Authority to provide resale of international common carrier services will expedite Five9's conformance with Commission's regulations and, therefore, will serve the public interest.

QUESTION: 15. In Attachment 2, respond to paragraphs (d), (e)(3) and (g) of Section 63.18.

ANSWER: Five9 filed for Section 214 authority from the Commission on January 19, 2013 (Submission ID: IB2013000159). At this time, Applicant does not seek authority to provide service not covered by either paragraphs (e)(1) or (e)(2) of Section 63.18 of the Commission's Rules. Five9 is not seeking authority under paragraph (e)(3) of Section 63.18 of the Commission's Rules. Therefore Section 63.18(a) is not applicable.
