CERTIFIED MAIL – RETURN RECEIPT REQUESTED

RE: Potential Dismissal of International Section 214 Application
File No.: ITC-214-20130204-00048

Dear Mr. Ubargas:

On February 4, 2013, IP Network America, LLC (IP Network) filed an application for International Section 214 authority (File No. ITC-214-20130204-00048).¹ IP Network has a delinquent debt and thus the Commission cannot take action on the application at this time. IP Network must make full payment of the debt owed before the Commission can grant the application. If the payment is not made by the within 30 days, we will dismiss the application without prejudice pursuant to Section 1.1910(b)(3) of the Commission's rules.²

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.³ Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications, including requests for authorization by any entity found to be delinquent in its debt to the Commission.⁴ Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."⁵

Accordingly, pursuant to Sections 0.261 and 1.1910 of the Commission's rules,⁶ we hereby provide notice that IP Network's 214 application will be **dismissed without prejudice on September 22, 2016** if the non-tax debt is not paid. Please visit the Red Light Display System's website for

¹ On March 14, 2016, the Executive Branch notified the Commission that they have completed their review of the application subject to the Letter of Assurances that IP Network signed.

² 47 CFR § 1.1910(b)(3). In that case, IP Network may refile its application with the applicable fee after the debt has been cleared.
