We finally heard back from (soon to be former) counsel for ForumTel.

Given this, we will send our routine letter to the applicant giving them two weeks to respond or we will dismiss the application.

David,

I reached out to contacts at ForumTel a final time and I was unable to reach anyone. We are officially withdrawing from representation due to an inability to communicate with the client. Can you let me know what we should do to disassociate from the 214 application? We have no authority to withdraw the application or take any other action on the application on behalf of ForumTel.

Thanks,

Joanna

David,

I apologize for the delayed response. I reached out to ForumTel several times to confirm that I have their authority to withdraw the application and I have not heard back. I will reach out again and will let you know if I get a response.

Thanks,

Joanna

Hi Joanna,

We understand from DOJ that you had told them that ForumTel LLC was going to withdraw its international section 214 application -- ITC-214-20130628-00179. We have not received any notice that the application was being withdrawn. Can you please confirm whether the application was withdrawn, and send us a copy of the withdrawal letter, or that ForumTel LLC still wishes to obtain the 214 it applied for? (I recognize that you may have sent the withdrawal and it got lost in the FCC and never reached us.)

Thank you,

David

RE: File No. ITC-214-20130628-00179

Dear Mr. Bar-Lavi:

Our records indicate that your international section 214 application (File No. ITC-214-20130628-00179) remains pending at the Commission awaiting completion of review by the Executive Branch. We forwarded the application to the Executive Branch agencies on July 25, 2013. On August 16, 2013, the Commission removed your application from streamlined processing pending Executive Branch review.¹

We have been informed by the Executive Branch agencies that you may intend to withdraw the application. We have contacted your legal counsel who has withdrawn from representation of ForumTel LLC having made repeated efforts to communicate with ForumTel and received no response.²

Please confirm no later than March 31, 2014 that you intend to pursue your application and have responded to Executive Branch information requests. Failure to so advise us will subject your application to dismissal without prejudice under Sections 1.748(a) and 63.51(b) of the Commission's Rules, 47 C.F.R. §§ 1.748(a), 63.51(b).

Sincerely,

James L. Ball
