**Re: VTA Telecom Corporation
Notice of Withdrawal -- International Section 214 Application
(FCC File No. ITC-214-20130718-00195)**

Dear Ms. Dortch:

VTA Telecom Corporation ("VTA Telecom" or the "Applicant"), by counsel, hereby provides notice of its withdrawal of the above-referenced application for authority to provide international telecommunications services pursuant to Section 214 of the Communications Act of 1934, as amended. After significant deliberation, VTA Telecom has concluded that it no longer requires the requested authority due both to present economic circumstances related to the novel coronavirus pandemic and substantial changes in its business plan since the application was filed nearly seven years ago under different company management.

VTA Telecom is very appreciative of the efforts undertaken by the FCC and others to give fair consideration of its proposal, and regrets that changed circumstances now require terminating further consideration of the application. Should there be further questions regarding this matter, please contact the undersigned counsel.

Respectfully submitted,

s/ David S. Keir
