Cable Andino USA, Inc.

(number references herein correspond to number references in application)

9. Request for Streamlined Processing. Cable Andino USA, Inc. (the “Applicant”) requests streamlined processing pursuant to 47 C.F.R. Section 63.12. The Applicant qualifies for streamlined processing for the following reasons: The Applicant is affiliated with Telconet, S.A. (“Telconet”), which is an Internet service provider and mobile telecommunications services provider in Ecuador. However, the Applicant qualifies for a presumption of non-dominance under 47 C.F.R. Section 63.10(a)(3), because Telconet is non-dominant in the markets in which it operates in Ecuador. More particularly, as of June 30, 2013, Telconet held only a 2.05% market share of the Internet (ISP) market (by user accounts) in Ecuador. In addition, as of August 31, 2013, Telconet held only a 2.13% market share of the mobile telecommunications services market in Ecuador. The foregoing figures (2.05% and 2.13%) are reflected in the attached charts prepared by SUPERTEL (*Superintendencia de Telecomunicaciones*), which is the telecommunications services regulator in Ecuador. These charts are also available for review at the Internet site of SUPERTEL, at the following Internet address: http://supertel.gob.ec/index.php?option=com_k2&view=item&id=21:servicios-de-telecomunicaciones&Itemid=90 (Please click on “2013 (Excel)” under “Acceso a la Internet” and “2013” under “Servicios Portadores”.) Please note that the attached charts from SUDATEL are the most up-to-date charts provided by SUDATEL as of the date of this application.

11. Certifications Required by 47 C.F.R. Sections 63.18(i) through (m). The Applicant certifies as follows:

- 47 C.F.R. 63.18(i): The Applicant itself is not a foreign carrier. However, the Applicant is affiliated with Telconet, S.A. (“Telconet”), which is a foreign carrier in Ecuador.

- 47 C.F.R. 63.18(j): The Applicant seeks to provide international telecommunications services to Ecuador. Telconet is a foreign carrier in Ecuador, which indirectly owns more than 25% of the Applicant and also controls the Applicant. (As noted above, Telconet provides Internet services and mobile telecommunications services in Ecuador and is non-dominant in the markets in which it operates in Ecuador.)

- 47 C.F.R. 63.18(k): Ecuador has been a Member of the World Trade Organization since January 21, 1996.

- 47 C.F.R. 63.18(l): Not Applicable. (The Applicant does not propose to resell the international switched services of an unaffiliated U.S. carrier.)

- *47 C.F.R. 63.18(m)*: The Applicant desires to be regulated as non-dominant for the provision of telecommunications services to Ecuador and qualifies for a presumption of non-dominant classification pursuant to 47 C.F.R. 63.10(a)(3). The Applicant is affiliated with Telconet, which, as noted, is an Internet service provider and mobile telecommunications services provider in Ecuador. However, Telconet is non-dominant in the markets in which it operates in Ecuador. More particularly, as of June 30, 2013, Telconet held only a 2.05% market share of the Internet (ISP) market (by user accounts) in Ecuador. In addition, as of August 31, 2013, Telconet held only a 2.13% market share of the mobile telecommunications services market in Ecuador. The foregoing figures (2.05% and 2.13%) are reflected in the attached charts prepared by SUPERTEL (*Superintendencia de Telecomunicaciones*), which is the telecommunications services regulator in Ecuador. These charts are also available for review at the Internet site of SUPERTEL, which has the following Internet address: Internet site of SUPERTEL, at the following Internet address: http://supertel.gob.ec/index.php?option=com_k2&view=item&id=21:servicios-de-telecomunicaciones&Itemid=90 (Please click on “2013 (Excel)” under “Acceso a la Internet” and “2013” under “Servicios Portadores”.) Please note that the attached charts from SUDATEL are the most up-to-date charts provided by SUDATEL as of the date of this application.

12. Destinations Listed in 47 C.F.R. 63.18(j). The Applicant seeks authority to provide service to Ecuador, which is a destination described in (3) of 47 C.F.R. 63.18(j).
