

Attachment 1

Integrated Communications Network, LLC ("ICN" or "Applicant"), by its executives, and pursuant to Section 214 of the Communications Act of 1934, as amended ("the Act"), 47 U.S.C. 214, hereby requests global authority to operate as a global resale carrier pursuant to the terms and conditions of Section 63.18 (e)(2) of the Commission's Rules to all foreign points as authorized by the Commission. 47 C.F.R. 63.18 (e)(2).

ICN has no affiliation with any foreign carrier in any of the destination countries for which authority is requested, nor is ICN affiliated with any dominant U.S. carrier whose services ICN may resell. Thus, pursuant to Section 63.10 (a)(1) of the Commission's Rules, 47 C.F.R. 63.10 (a)(1), ICN should be classified as a non-dominant carrier in its provision of international service on all routes.

Furthermore, as explained herein, this Application is entitled to streamlined processing under Section 63.12 of the Commission's Rules as ICN meets the criteria set forth therein:

- (i) ICN is not affiliated with a foreign carrier;
- (ii) ICN does not have an affiliation with any dominant US carriers whose international switched or private line services that ICN seeks authority to resell;
- (iii) ICN is not requesting authority to provide switched service over private lines to countries not previously authorized for service by the Commission.
