Re: **Yatango Mobile USA LLC Voluntary Surrender of International Section 214  
Authorization, IBFS File No. ITC-214-20140210-00040**

Dear Ms. Dortch:

Yatango Mobile USA LLC hereby notifies the Federal Communications Commission ("Commission") that it has discontinued the provision of international services and surrenders its international Section 214 authorization, issued under File No. **ITC-214-20140210-00040**, effective immediately. Yatango Mobile USA LLC was granted its Section 214 authorization subject to commitments and assurances provided to the Department of Justice, and is a signatory to a Letter of Agreement (LOA), signed September 10, 2014.

As part of administration proceedings in Australia concluded on May 22, 2019, Yatango Mobile Pty Ltd (an Australian based holding company and the parent of Yatango Mobile USA LLC) sold off the business assets to Cor Cordis, an Australian company. Yatango Mobile USA LLC was not part of the asset sale and became unviable and was closed down. The Section 214 license issued to Yatango Mobile USA LLC was not part of the asset sale and remains active in the name of Yatango Mobile USA LLC based on a mistaken assumption that the license would automatically cancel when the company ceased to operate.

Though I have left my position as Founder and CEO of Yatango Mobile USA LLC, I confirm that Yatango USA LLC never launched in the United States, and has never provided international telecommunications services to any customers pursuant to the Section 214 authorization. The company is therefore not required to provide notice of discontinuance pursuant to Section 63.19 of the Commission's rules, 47 C.F.R. § 63.19.

We have notified the Department of Justice that Yatango Mobile USA LLC does not provide services subject to the LOA, and that it had no continuing use of the license at the time the company was wound down in the administration proceeding.

Please let me know if you have questions or need additional information.

Sincerely,

Andy Taylor  
Founder and CEO
