**PETITION TO ADOPT CONDITIONS TO  
AUTHORIZATIONS AND LICENSES**

The Federal Bureau of Investigation (“FBI”), which is part of the U.S. Department of Justice, submits this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“Commission”) rules.<sup>1</sup> Through this Petition, the FBI advises the Commission that it has no objection to the Commission approving the authority sought in the above-referenced proceeding, provided that the Commission conditions its approval on the assurance of Shuf Incorporated (“Shuf”) to abide by the commitments and undertakings set forth in the March 5, 2015 Letter of Agreement (“LOA”), which is attached hereto.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of other U.S. government agencies with expertise in those areas. *See In the Matter of Comsat Corporation d/b/a Comsat Mobile Communications, etc.*, 16 FCC Rcd. 21,661, 21707 ¶ 94 (2001).

proceeding, the FBI has concluded that the additional commitments set forth in the LOA will help ensure that the FBI, which has the responsibility of enforcing the law, protecting the national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, the FBI advises the Commission that it has no objection to the Commission granting the application in the above-referenced proceeding, provided that the Commission conditions its consent on compliance with the LOA.

Respectfully submitted,
